By day, Jacob the Angel is an independent coffee house, and in equal parts eatery, bakery and take out too.

By night, the little café can be transformed into a cosy private dining room available for exclusive hire; coffee and cakes are replaced with carefully curated menus and wine lists. Feasting menus for these evenings are designed by Head Chef Daniel Alt of The Barbary, Time Out's number one restaurant in London 2017 and 2018.

The space is suitable for groups of up to 16 people. Guests have the option between a communal dining table or smaller tables of two.
