Located next to The Barbary is Jacob the Angel, our sister site.

By day, [Jacob the Angel](#) is an independent coffee house, and in equal parts eatery, bakery and take out too.

By night, the little café can be transformed into a cosy private dining room available for exclusive hire; coffee and cakes are replaced with carefully curated menus and wine lists.

The space is festooned with fairy lights, pillar candles and seasonal foliage, creating an intimate and homely setting.

The room is suitable for groups of up to 16 people, and is available from 7pm till 10pm.
